

## **Resurrection Summer Religious Education: 2010 Program**

### **Parent Covenant: Students in Grades 1, 3, 4, 5 and 6**

1. Parents understand their role as the first and primary teachers of their children, and children learn best by example. As Catholics, we know that Mass is the most important part of our faith formation. Parents will teach their children as they worship at Mass every weekend.
2. Parents understand that the summer program is a condensed learning experience. It is essential that students attend class every day during the summer session.
3. Parents will coordinate transportation for their students according to scheduled start and end times.
  - Students will arrive at Resurrection School no earlier than 7:50 AM: class begins at 8:00 AM.
  - Students will be picked up at Resurrection School no later than 12:10 PM: class ends at NOON.
4. Parents understand that there is a 20 minute break scheduled for each day. The program will provide liquid refreshments for the students during the break. Parents are encouraged to send a small snack that will not require refrigeration with their student for consumption during the 20 minute break.
5. Parents will insure that their students understand the simple discipline policy. We respect each other and maintain a positive learning environment for every student.
6. All parents are encouraged to support the summer program by
  - Volunteering to assist as a classroom aide (CA) or break time assistant (BTA) during the session
  - Support their children by asking how they are doing with their classroom work and assisting the children by answering questions they might raise.
  - Attending any or all of the special events (Mass, Reconciliation, closing prayer and social) during the summer session.
7. Families who attend the Summer Program make a commitment to
  - Attend Mass on weekends
  - Attend Mass on Ash Wednesday
  - Attend the Living Stations of the Cross event at the end of Lent
