

**What is a Christian Experience Weekend?**

A CEW is an opportunity for you to have some time for yourself to learn about Christianity from a Catholic perspective, for private reflection, forming or retooling your spirituality, and for getting acquainted with members of the parish community.

The basic format includes speakers, small-group discussions, private reflection, liturgy, plenty of time for fellowship. You won't be pressured into "giving witness" or disclosing personal information. It's a weekend to listen, pray, learn, relax, and be refreshed.

**Who may attend a CEW?**

CEW is open to anyone 18 and older, regardless of religious affiliation. Women's and men's weekends are conducted separately.

**I don't consider myself "religious". Is CEW for me?**

The weekend welcomes everyone, regardless of where they are in their spiritual lives. In fact, many people attend because they would like to improve their relationship with Christ. There are no tests or quizzes. Again, no one is put on the spot.
